## **Officer Reports:**

#### Seneschal

We have a constitution apparently. We didn't know we had one, written 2001. We should review it. Things are going well, guild stuff is being organised, slowly. Thanks for coming to training and the AGM. No one has died.

#### Reeve

Has kind of reported. Most of our money is in an event bond. We are taking detailed records.

#### Herald

Heraldry is a thing. We will be petitioning for the College device soon. Individuals can register their own device.

## Marshal

Training is good. No one has died. ~3 heavies and ~6 rapierists.

## A&S

Keg is the A&S minister, but he doesn't come often. Most A&S happens on Thursday nights, please come for mostly sewing at this point. We can do leather and other works as well.

#### Web Minister

Two mailing lists, UWASCA announce & Basil. Basil is most useful - get on it. UWASCA Announce is for announcements & telling people to get on Basil. The website went down recently. It's back up now. People are still working on it. lochac.sca.org/basil but will probably change soon.

## **ACTION** - Email out the Facebook group link to the list.

## Chronicler

She failed. We used to publish in the Baronial newsletter. Then Nancy got lazy and stopped. We can do more.

# Fresher Rep

Don't have one yet.

## Murdoch

Exists. Paperwork happening soon, after SCA memberships. Few newbies, some good.

## **Upcoming Events:**

Newcomers' Feast 2012:

Nancy-spiel. Everyone should come and have an awesome time! We can help out with lifts and also with garb.

#### WAMA Fair

March 17, during the daytime. Supreme Court Gardens. Entry free if in garb, gold coin if in mundane clothes. Come and hang out with us! :)

#### PROSH

A thing that Nancy encourages you all to do. James will probably be in charge. Wednesday April 4th. We always PROSH outside London Court. It is awesome and for charity. We are polite - we bow and are polite to people so we sell proportionally more papers. :)

## Festival

A big SCA event (\*the\* biggest in Australia) every year over the Easter Weekend. A must-go-to event if you are really keen on the SCA.

#### St George's Day Pas d'Arms

We have no idea of the details. It's a tourney though and somewhere down south. Good to go to if you are into the fight-y stuff. We'll put the details online.

#### Anealan 25th Anniversary weekend

Last weekend in April. First camping weekend of the year. Camping spots available and there are also dorms. The food is going to be AMAZING.

#### Pencampwr (in particular: lunches)

First weekend in June. Second camping weekend. King and Queen \*might\* be coming and also knights from over east. Biggest event in WA.
